The Visit Pensacola Board meeting was called to order at 3:01 PM.

There was no public comment.

### **OLD BUSINESS**

### Approval of Minutes from May 31, 2023, Board Meeting

Motion to approve the minutes from the May board meeting was made by Rachael Gillette, seconded by Deandra Holcomb, and approved unanimously.

### **Pensacola Sports Funding Request**

Darien Schaefer started out the conversation about the Pensacola Sports Funding Request bringing it back in reference to the last two board meetings. He passed around a one-pager that was provided from Ray Palmer over at Pensacola Sports which provides more details about the larger amounts of the funding request. Darien Schaefer met with Ray Palmer and Mary Henriques earlier in the month to discuss the FY24 budget request and possibly changing the percentages to provide Pensacola Sports with additional funding to cover the increasing fees of the conferences, SEC Women's Soccer and Sunbelt Conference. We also discussed having the UWF Historic Trust join the Unified Budget. Was going to be here today, he made a great speech to the finance committee on June 27, 2023, talking about the Historic Trusts role in tourism, Showcase Center History and the value that they would have if they were a part of the Unified Budget. When the Unified Budget was originally being developed, they were a part of that discussion.

Deandra Holcomb asked, "Do you know what happened then?"

Darien Schaefer commented that the understanding that there was a UWF Historic Trust rolling up under ACE and according to ACE by-laws they were unable to do it. Since I have been here, many times I have heard how important the history of our destination is to our residents and how it sets us apart from our peers on the Panhandle. They do manage 30 billion on 9 Acres; they manage quite a bit of assets not only on tourism related but also serve as event venues and I think we are in one today.

Deandra Holcomb commented that she was surprised that they were not already and that's why she was asking.

Darien Schaefer then reviewed all the unities that have agreed to and submitted regarding the Pensacola Sports Funding Request. In FY22 they requested \$10.42 Million, and their final budget was almost \$11.8 Million. This FY, FY23, we asked for the same amount \$10.42 and the reason we did was because the previous year we were getting a part of the 5<sup>th</sup> cent and now we aren't. With the supplemental we ended up just over \$12 Million which is just over 2% in FY22. For this year we are asking for \$13 Million up front, less concerned about the supplemental on the backside so we can budget accordingly and get better value for advertising. It looks like \$2.6 Million dollars more than our FY23 request but it's less than a million then where we will end up on this FY, it's about an 8% increase. We are going to accommodate increased funding for Pensacola Sports Association, adding the Historic Trust and no entity will be receiving less than requested.

The proposed Unified Budget, including an increase to Pensacola Sports + UWF Historic Trust. The request was \$13 Million (including \$225,000 funding request by UWF Historic Trust). When you add them together it's \$13,225,000 and when you do the percentages it breaks down 1.7% for the Historic Trust, 11% for Pensacola Sports, 14.75% for ACE, 72.55% for Visit Pensacola. When we look at these numbers, there are small decreases. It is a 30% increase in Pensacola Sports budget.

For ACE at 14 and 3 quarters, it would be \$53K more than what they received in this last FY.

For Visit Pensacola, we will end up at \$9.6 Million which is \$561K increase than what we received this year.

Darien Schaefer said that this is the impact of the changes that I am recommending to our Board of Directors and that we recommended to the finance committee yesterday and they signed off on it and sent it forward to recommend the percentages.

Brent Lane asked the board if there was a motion to approve. Rachael Gillette approved the motion, Sid Williams-Heath seconded. Brent Lane asked if "all in favor."

Warren Sonnen stated that he had a question, he asked if Mary indicated where the money was going to come from.

Darien Schaefer indicated that there wouldn't be a loss but \$53K more. He stated that no one was taking a hit to make these changes.

Brent Lane asked if there were any other questions.

Lane asked if all in favor, the motion passed.

### **Revisit Pensacola Strategic Plan Committee Reports**

Darien Schaefer stated that since our last meeting, only one committee has been able to meet and that was "Community, Collaboration, Connections and Partnerships" the other two haven't and he encouraged our committee chairs to work with Ashley Hendrickson to get those scheduled. I know it's a hard time, busy time but let's respond to her emails.

Brent Lane commented that he thinks it's important for all the committees to meet, it helps break down the workload from the board and make meaningful progress. I think we had a great meeting through the Community, Collaboration, Connections and Partnerships committee and I'm encouraged by where that's going to go and will benefit the board and the organization.

Darien Schaefer mentioned that there will be a spreadsheet taken from the documents that can be expanded onto and everyone will have access to that.

Brent Lane commented that the opportunity to collaborate and talk to people on the same mindset is helpful in creating a way to move forward, the opportunity presented itself with putting ideas on the table.

Deandra Holcomb added by saying she felt like we did something.

Lane stated that it could be fun to host a tourism camp and more on that to come soon.

### **NEW BUSINESS**

### **Finance Committee Monthly Report\***

Sid Williams-Heath stated that looking at May and leading with the submission back from the county. The reimbursement came a few days after the month ended so things will look a little behind, but he wanted the board to know that it has been received.

April takeaways: Unified May 2023 shows a net loss of \$264K, VP was not able to bill the county for Showcase invoice.

Major Highlights: Visit Pensacola has paid \$2.05M of the advance, with a remaining balance of \$1,450,000 to be paid back by the end of the year.

Payment to Showcase is a month behind as VP is waiting for reimbursement of April's submission in order to pay the current Showcase invoice.

There are 13 more partners as of 5.31.23 than 5.31.22, which resulted in \$17K more from partnership dues.

Pensacola Sports had their submission for May for the total of \$201K. They have received \$800K of the \$800K advance in \$80K installments as per their FY23 agreement.

ACE has no submission for May.

Williams-Heath stated that being little behind on the reimbursement on Visit Pensacola only, that's TDT plus the private side we had a total revenue of \$286K for the month but looking at expenses of \$788K without being able to bill the county, it's looking like the month had a net loss of \$502K and then the Unified at \$264K of a loss. Talking with Wandy and the finance committee, that came in early June and there's nothing to worry about on that end.

As we look at the balance sheet, the only big topic to discuss looking at the reserve account which is right under \$1 million and when the moments that the reimbursement doesn't come Wandy and Darien have access to those reserves to make payments happen so that our vendors aren't waiting. As the finance committee, we will continue to have that conversation about investing money. I've connected Wandy Samuel with some investment minds to see what we have option wise with rates and seeing what the magic number is needed to make some extra cash. We will continue to have those conversations.

Moving into the Unified budget, Williams-Heath mentioned that at the last meeting that we are continuing to look at Wandy Samuel's great notes as we go over budget or if we have supplemental dollars gets added line by line so if anything moves, we have clear notes.

Williams-Heath asked the board if they had any questions. He asked if there was a motion to approve the finances. Warren Sonnen motioned to approve; Dae Patel seconded. All in favor, zero opposed.

### **Grant Program Approval\***

Nicole Stacey stated that we held our grant workshops back in April, there were 5 that anyone could attend to learn more, and everyone had to turn in their grant applications at the first part of June.

We only have 10 grants applied for this year. This is the lowest number that we've had. Tish Patel (Grant Committee Chair), Darien and I have been talking about how we can reevaluate the program, how we can make it different, easier, more attractive for these event organizers to come and ask us to help them with their marketing dollars. There are some questions on our grant program as opposed to the ACE, Pensacola Sports, and Foo Foo programs. We are going to reevaluate and do an overhaul of the Grant Program but for FY24, this is our opposed slate of

events. The requests that were made, their average score and their final award can be seen here.

The awards are all based off a scalable percentage. Stacey stated that if anyone has any questions that we are happy to help answer. We are looking for a motion to approve these recommendations.

Sid Williams-Heath commented and asked that with fewer grants this year and us not hitting that total budget, what is the intention to use with the leftover funds?

Stacey added that what has been done in the past is to move it over to direct funding and into marketing.

Brent Lane asked does Pensacola State College get coaching on submitting a better proposal.

Stacey mentioned that Pensacola State College attended several workshops.

Brent Lane asked the board if there was a motion to approve the final scale. Dae Patel made the motion to approve, and Deandra Holcomb seconded.

Warren Sonnen abstained from the vote.

The motion was approved.

### **Nominating Committee\***

Brent Lane commented that we are going to disregard it because it was done before we had some legal review.

Darien Schaefer commented that in our last board meeting, we talked about the process (according to bylaws) of when the nominating committee will need to meet. Prepare a slate of candidates and officers at least 30 days till our annual meeting. We have opened the process of applications; they are expiring at the end of July. The nominating committee would meet one time in August and that's typically all it takes, an hour or so to review the applicants and discuss which applicant to fill the position.

Schaefer stated that we are in a unique situation, there are 4 board positions that must be reviewed by the membership, three of them are more than likely filled. Greg Harris filled out someone else's term, so he is eligible to serve another term. At-Large, Rachael Gillette can step into the chair role, the bylaws trigger a fourth year. Ali needs to be approved to serve and could serve for a total of 5 years since her term was originally started by Tia Robbins. Which means we have one position available and that's Deandra's Holcomb.

Schaefer commented that some of you may know that Rachael Gillette has had a change of employment. Typically, when a transition like this happens place, it can disqualify a director from serving and would require resignation. Rachael serves in an At-Large position and according to our by-laws she can continue to serve on the board of directors.

Rachael Gillette commented on her future and stated she had left Studer Community Institute and that she is going out on her own as a consultant and business coach. She remains very involved in the community, and it gives me more freedom to be involved with Sail Pensacola and American Magic and other sailing opportunities.

I have been working closely with Tim over the last several months. Building out the structure of sailing here in Pensacola. Her company is called Gillette Consulting LLC, and she is hoping that it will bring jobs to Pensacola.

Darien Schaefer commented at the last board meeting where we talked about the Nominating Committee and some of the rules we must have. We must have at least 5 and an odd number. Presenting a slate of 7 directors that have been recommended by the chair. Deandra Holcomb will be the committee chair, as per our by-laws. Also on the committee are Brent Lane, Rachael Gillette, Warren Sonnen, Greg Harris, Terry Branch, and Sid Williams-Heath.

Brent Lane asked the board if there was a motion to approve the nominating committee.

Warren Sonnen made a motion to approve, Ali Green seconded the motion. All approved and none opposed.

### **Showcase Pensacola**

Nicole Stacey recapped some of the things that the staff has been working on in May and June.

Something things that we are working on and are proud of, back in May during Pride Weekend we really made an effort to support the Pride community and Pride festival. Ravi Around the World and Ricky Cornish were brought in as influencers to help showcase Pensacola. The focus was that we want you to come in and enjoy Pride and the events that Pensacola has to offer, but to also want you to focus on Pensacola as a destination.

Stacey commented on Scott Tisson and that this has been a project she has been working on since early March. Tisson writes for Intrepid Escape in the UK. Stacey commented that Pensacola was his favorite Northwest Florida destination. Pensacola was the one he felt that he didn't have enough time to experience everything we have to offer, he can't wait to come back. It adds to the story telling that we do and that we are more than just the way to the beach, we have so much to offer.

Stacey commented on a few other press events that Kaya Mann and Tia Robbins held, African American Travel Planners FAM and it was fabulous. They put a lot of work in and got just about every community leader involved. It was a fast couple of days.

We held our second annual Garden & Gunn and this year we featured George's, Brother Fox and Iron. If you were able to join us, we hope you enjoyed it. This year the chef's brought a completely different vibe.

Brent Lane added that he loved the new venue. It was a great event. For those that traveled to be there it was just a wonderful event.

Nicole Stacey commented that we have been very involved in the Juneteenth events that have been happening in Pensacola. Trying to make efforts in the different communities here at Visit Pensacola and let people know that Pensacola is a community for all.

Upcoming Events: The team has done a great job of building out socials and letting people know where to go and when to get there for Blues weekend.

Nicole Stacey mentioned that we are aware of the rip tides, and we are doing our best to make people aware of how the rip tides are and following the rules and staying out of the water.

Stacey let the board know of a few upcoming events; Southeast Media Event and that some of the team will be heading to Dallas for the DI event. She let them know of our upcoming Marketing meeting in July and that there will be a polished but ready for discussion marketing workshop so you can see what Showcase and the whole of Visit Pensacola has been working on.

Warren Sonnen commented and praised Melissa Bailey's partner training.

Rachael Gillette commented that she loves the diversity, and the variety of what Visit Pensacola has been working on.

Nicole Stacey closed her section by reminding the board and others to please on the Conde Naste accolade.

Brent Lane asked for a link on the voting.

### **Showcase Pensacola Report**

\*\*who was it? Gave the Showcase Pensacola update. The presentation can be viewed <a href="here">here</a>.

### **President/CEO Report**

Darien Schaefer commented on the great job that Showcase has been doing on content for Visit Pensacola, showcasing the city of Pensacola.

Schaefer walked us through the TDT Collection Report and the Tourism Development Tax. We are now through the first 8 months of our FY. The April receipts that were collected in May showed \$1.86M, which is down 1.1% from last year. Compared to last year, we are up 0.4%, \$37K more, in TDT Collections. The county budgeted us at \$18,750,000 and what we've collected year to date, we are about \$1.5M dollars ahead of what the County budgeted for this year.

Schaefer stated that we use key data to look at the activity of vacation rentals and this data is tracking revenue. While our listings will fluctuate, we have 1,400 more listings than last year and it is driving revenue. May through June is strong, and revenue is up close to a Million dollars, about 7%. Revenue is up 194K, on the rental vacation side we are going to hold our own through the summer. Smith Travel Research shows that our traditional lodging is showing some challenges in occupancy and in ADR. For May, occupancy was down 1.8%, ADR was down 2.8% and revenue was down 4.4% compared to last year, which is about \$1.2 million dollars in revenue, about \$63K in TDT.

Schaefer stated that through June, we are down by 8% in revenue so far, but we still have another week left in the month. We could be down about \$132K in TDT. July and August are concerns. It's not just us but the state and nationwide. We will have to see with the economy and inflation how it affects traditional lodging. There is more inventory and less demand.

Schaefer specified that we are a part of the Northwest Florida Beaches Tourism Council, which represents eight counties along the Gulf Coast and together we market ourselves as Northwest Florida Beaches, Adventures within reach. We have been working on Triumph Gulf Coast grant application and see where that goes. The goal is to ask Triumph for \$3.5M dollars each year for 3 years with Visit Florida contributing \$400K. All in it will be a \$4.5M campaign promoting the Northwest beaches as a region which has never been done.

Schaefer reminded the board about the upcoming Board of County Commissioners Budget Workshops in July. He also reminded the board about the public budget hearings that are set for September 11<sup>th</sup> and September 25<sup>th</sup>.

Schaefer reminded the board about the Marketing Plan Review on July 26<sup>th</sup>, as well as the next Tourism Development Council meeting on August 8<sup>th</sup>.

### **Updates from the board:**

- Brent Lane I have a healthy update on the 4<sup>th</sup> of July fireworks downtown. Pensacola Young Professionals is the manpower behind closing Bayfront Pkwy. The chamber is taking on most of the expenses. It's going to be a spectacular year.
- Dae Patel It's been okay, I hope the heat helps. Hoping things pick up. Employment is a big issue, and we are having issues with the labor force.
- Warren Sonnen Been kind of quiet. For the most part it's been kind of slow. During this time a lot of locals go to the beach.
- Deandra Holcomb We have been super busy, and the wind and rain have been super busy as well, unfortunately. We had hundreds of people over the last few weeks. There are still issues with traffic on the beach.
- Ali Green From my view at UWF, hospitality and tourism degree will be 100% online and it's set to softly launch in the fall.
- Sid Williams-Heath Our first show of the season is this week, Little Red Robin Hood. We have a great season, there is something for everyone.
- Rachael Gillette Excited about what's coming down the pipeline with American Magic. It's getting Visit Pensacola in front of millions and millions of viewers.

It was announced that Wandy Samuel is the newest member of Leadership Pensacola.

The meeting was adjourned at 3:59

Visit Pensacola Board of Directors Meeting Wednesday, August 2, 2023 Hyatt Place Pensacola Airport

**Board Members Present:** Brent Lane, Sid Williams-Heath, Ali Green, Warren Sonnen, Dae Patel, Tim Carn, Rachael Gillette, Terry Branch, Deandra Holcomb, and Amanda Mills.

**Board Members Absent:** Greg Harris

**Staff Members Present:** Darien Schaefer, Nicole Stacey, Ashley Hendrickson, Kaya Mann, Wandy Samuels

The Visit Pensacola Board meeting was called to order at 12:16 PM.

Brent Lane announced there is only one agenda item which is to address an official TDT funding request by the Perdido Key Chamber of Commerce.

There was no public comment and no one from the Perdido Key Chamber of Commerce was present.

### **New Business**

Lane said the Perdido Key Chamber of Commerce has asked to assume control of the Perdido Key Visitor Center as well as requesting \$1.4 Million in TDT to provide tourism marketing for Perdido Key.

Lane and Darien Schaefer met with Commissioner Bergosh on Friday, July 28, 2023 along with four representatives from Perdido Key including Tammy Thurow, Perdido Key Chamber President; Cameron Price of Flora-Bama; Caron Sjoberg of Ideaworks; and Allen Bizzell of Holiday Harbor Marina & Sunset Grill.

Despite the fact that the Perdido Key area is leading in TDT growth, the Perdido Key Chamber feels that Perdido Key is not getting enough recognition and that they can do a better job of promoting Perdido Key. They have put together a budget request for \$1,397,502 just to market Perdido Key. The Perdido Key Chamber would use that money to exclusively promote only Perdido Key businesses, no Alabama members. This is officially the first time the request has been said in a face-to-face meeting.

Commissioner Bergosh, representing District 1 which now includes Perdido Key, is in support of the funding request and the transition of the operation of the Perdido Key Visitor Information Center to the Perdido Key Chamber of Commerce.

The Board of Directors discussed the issue at length with the one constant being "What will be the best outcome for Escambia County and its tourism industry?"

Visit Pensacola and the Unified Budget has a proven track record of growing visitation, visitor spending, and the ultimate metric of TDT collections. Reducing the budget of Visit Pensacola/Unified Budget to fund another marketing effort to try to do the same thing is ineffective, a clear duplication of services, and a waste of TDT that will negatively impact all districts in Escambia County.

If the Board did not oppose the Perdido Key Chamber TDT funding requests, Visit Pensacola would be in direct contradiction with its mission and objectives.

Warren Sonnen motioned to oppose the Perdido Key Chamber of Commerce funding requests and retain the Perdido Key Visitor Center operation and the Unified budget as is. Tim Carn and Deandra Holcomb both seconded the motion. Motion carried 9-0 with Amanda Mills and Greg Harris absent.

The meeting was adjourned at 2:04 PM

Respectfully submitted, Ashley Hendrickson

### Visit Pensacola Nominating Committee Meeting

August 9, 2023 Visit Pensacola Conference Room

**Committee Members Present:** Deandra Holcomb, Sid Williams-Heath, Brent Lane, Terry Branch, Rachael Gillette, Greg Harris, Warren Sonnen

Visit Pensacola Staff Present: Darien Schaefer, Ashley Hendrickson

The Visit Pensacola Nominating Committee was called to order by Deandra Holcomb at 2:02 PM.

#### **Public Comment:**

No public comment

Deandra Holcomb, Chairperson, reviewed the purpose of the committee and the bylaws and asked if there were any questions. No questions were asked.

### Review Applicants and Nominations for the open Board or Director positions

Holcomb asked if everyone had a chance to review the applicants including Sterling Gilliam and Katrina Jackson. Warren Sonnen made a comment that he went over the applicants but a few did not finish their applications.

Brent Lane suggested working through Sports/Recreation first so Greg Harris could be recused.

Lane said he is in favor of moving Greg Harris to serve a full term as the Sports/Recreation Director. Darien Schaefer stated that there was one other applicant, Kyle Williams, who lives in Milton. He didn't explain his sports connection. Lane said he is in favor of moving Kyle Williams into the At-Large open position for consideration.

Warren Sonnen motioned for Greg Harris, Pensacola Ice Flyers, to fill the Sports/Recreation Director position. Rachael Gillette seconded the motion; motioned approved 6-0-1.

Gillette recused herself from the meeting so the committee could discuss the At-Large Director position. Holcomb made a motion to extend Gillette's term by one year to serve as Board Chair according to the bylaws. Lane asked if Gillette continues to be a paid Partner of Visit Pensacola. Schaefer confirmed that Gillette is a paid Partner. Sonnen seconded the motion; motion approved 6-0-1.

Lane asked about Ali Green. Schaefer commented that Green has already been approved by the board but now needs to be approved by membership which will happen at the annual meeting in October. Lane said the committee should endorse Ali Green and made a motion for Ali Green to

complete the next two years of her At Large Director term. Holcomb seconded the motion. Motion passed 7-0.

The committee discussed the applications submitted for the open Director position of Attractions/Retail/Events. There were four submitted applications.

Harris asked if we broke apart attractions, retail, and events, what do we need most? Schaefer said if it's attractions, then it's hard to beat the number one attraction between New Orleans and Orlando. The Naval Aviation Museum is now open to the public and has events and retail as well.

Lane commented that Sterling Gilliam would be invaluable to the board in the next three years.

Gillette asked about the gender mix of the Board. There are 3 females and 8 males.

Schaefer said Nicole Dixon has a marketing background and is the owner of a bookstore. Gillette commented that it would be good to get some of these applicants on committees since there aren't enough spots on the board. We don't want to lose good people.

Lane asked if since Sterling Gilliam had been on the board, would he be able to join the board again? Schaefer said that one year must pass before he could join the board again and it has been more than two years.

Lane commented that Sterling would be invaluable as a tourist attraction partner and is in the Perdido Key area.

Terry Branch commented he's not familiar with Sterling Gilliam or Nicole Dixon.

Holcomb made a motion for Sterling Gilliam to fill the Attractions/Retail/Events position on the board. Sonnen seconded the motion. Lane commented that we should work these applicants into committees so we retain good candidates to add to the board next year. Holcomb stated we have a motion and a second and called the vote. Motion carried 7-0.

### **Director Recommendations to the Board**

Attractions/Retail/Events – Sterling Gilliam (Term expires 9/30/26)
Sports/Recreation – Greg Harris (Term expires 9/30/26)
At-Large – Ali Green (Term expires 9/30/25)
At-Large – Rachael Gillette (Term expires 9/30/24)

### **Discussion on Candidates for the Open Officer Positions**

Schaefer commented on Officer succession of Vice Chair into the Chair position. Gillette has expressed interest in serving in the capacity of Chair. That leaves the Vice Chair position open and both Sid Wiliams-Heath (Treasurer) and Sonnen (Secretary) have expressed interest in stepping into the Vice Chair position.

Schaefer commented that if Sonnen moved to Vice Chair, it would give him another year on the board. Williams-Heath could move to Vice Chair next year, he would also get an extension.

Williams-Heath stated that in this scenario, he will recuse himself from becoming Vice Chair to allow Sonnen to step in and have an extra year. He is willing to stay as Treasurer.

Lane commented that Branch would be an excellent addition to the Executive Committee as the Secretary. Gillette agreed. Lane said that Branch's leadership qualities, lodging perspective, and vested interest in the beach would be invaluable. Terry Branch agreed to serve as Secretary.

The Nominating Committee recommends the following slate of Officers for FY2024:

Chairman – Rachael Gillette Vice-Chairman – Warren Sonnen Treasurer – Sid Williams-Heath Secretary – Terry Branch

### **Other Business**

The committee recapped the board meeting that was held on August 2, 2023 about the Perdido Key Chamber and the Perdido Key Visitor Center. Schaefer reported that a meeting with the Perdido Key Chamber at their office was scheduled for August 10, 2023. Shirley Cronley (from TDC) has asked to attend. The committee encourage Gillette, as Incoming Board Chair, to also attend.
