New Business

Finance Committee Monthly Report

Sid Williams-Heath reported on the FY2023 October takeaways:

- October shows a net income of \$21K.
- October shows more partners paid their dues comparing to same time last year.
- The Board of County Commissioners has approved the requested \$2,500,000 advance that Visit Pensacola uses as cash flow throughout the fiscal year.
- VP had to borrow \$300K from the line of credit in order to pay year end accruals.
- FY23 Pensacola Sports TDT budget is \$962,000. Pensacola Sports had no submission for the month of October.
- FY23 ACE TDT budget is \$1,638,000. ACE had no submission for the month of October.

Darien Schaefer noted that Visit Pensacola is expecting the supplemental amount to be around \$1.6 million based on the reported collections above what was budgeted by the County. Schaefer has asked Showcase to prepare a marketing plan to spend the supplemental funding that could be presented at the December Board Meeting in anticipation that funding would be

approved and received in January.

Tim Carn asked when Partnership dues are due. Partnerships renew in October and that is when dues are expected to be paid.

Brent Lane asked if the financial reporting changes for ACE/Foo Foo Festival had been resolved. Williams-Heath said that it's moving forward. Lane asked for a brief background on this for the new board members.

Schaefer said that ACE was previously allowed to submit its financials to the county differently than the requirements for Visit Pensacola and Pensacola Sports. An audit requested by the TDC is currently reviewing how TDT dollars are spent. The audit noted how ACE was being reimbursed and the level of documentation. As a result, the County started in May requiring ACE to abide by the same requirements as VP and PS. The County stopped reimbursements until the additional backup documentation was received. Visit Pensacola has been helping ACE work through the transition so that the County approves the submissions.

A motion to approve the October Finance Report was made by Warren Sonnen. Seconded by Carn; the motion was approved unanimously.

Downs & St. Germain July – September 2022 Visitor Tracking Study

Isiah Lewis presented the study overview. It will be posted on the research page of www.visitpensacola.com. Williams-Heath noted he would like a one-page negativity report that included the top three complaints so we could evaluate areas for improvement. Carn noted that YoY visitor satisfaction is up, but recommendations are down. Lewis explained there's a fluctuation between loyalists and first-time visitors.

President and CEO Report

Schaefer shared that he has been elected to serve as the Board Chair for the Northwest Florida Beaches Council, an eight county partnership focused on marketing Northwest Florida Beach as a regional destination. The Council is working on a Triumph Gulf Coast grant application. Two people on the Triumph Board are from Pensacola – David Bear and Collier Merrill. "Adventure Within Reach" is the brand message that targets families and has a focus on accessibility.

Schaefer, Nicole Stacey, and Kaya Man recently returned from the World Travel Market in London in partnership with Visit Florida. It was a successful show and part of resuming Visit Pensacola's international marketing efforts that were suspended due to Covid's interruption of international travel. Canada, England and Germany are our top markets for international travel.

Schaefer congratulated Stacey on her appointment to the Tourism Advisory Council for Sojern.

After 18 straight months of record TDT collections, September TDT receipts received in October were down 2.09% compared to same time last year.

Schaefer noted the Revisit Pensacola Strategic Plan is on the agenda but it's not ready to share and will be included on the December board meeting agenda.

Marketing and Communications Report

Stacey noted the contest winner from the Chicago Air & Water Show was recently in town and thoroughly enjoyed the visit. The marketing team has been busy, hosting eight press trips, two TV crews, and have three upcoming press trips scheduled. Media missions including the World Travel Market in London and the upcoming Texas Media Mission in Dallas. Stacey invited the board to visit the Holiday Cube in Plaza Ferdinand as well as attend the Quarterly Marketing Discussion in December.

Giant Noise, Public Relations Agency Report

Erica Benken gave the Giant Noise Overview for fiscal year 2023. Their goal is to coordinate and secure impactful media opportunities that will effectively position Pensacola as "The Way to Beach" from a variety of angles that will appeal to both travelers and media. These include, but are not limited to:

The Historic Way to Beach™

The Luxurious Way to Beach™

The Culinary Way to Beach™

The Budget-Friendly Way to Beach™ The Way to Beach™ for Limitless Adventure

The Merry Way to Beach™ The Way to Beach™ for Sports Lovers

Giant Noise will continue to operate as an extension of Visit Pensacola, working with the team to effectively oversee strategic public relations planning for the destination, foster and grow new and existing media relationships, share media leads and opportunities for Visit Pensacola partners, and coordinate and staff in-market and out of market media hostings and activations as needed.

Sonnen asked where arts and culture fit into that. Erica mentioned that arts and culture is a regular part of Visit Pensacola's PR strategy and additionally noted that Giant Noise is the agency of record for Vacation Artfully.

Showcase Pensacola

Various members of the Showcase Team went through the upcoming year's marketing plan.

Sonnen asked with the shifting of Netflix, are we looking into it as an opportunity. Bryan McCall said the team is aware and monitoring the situation. Originally, like YouTubeTV, you had to be a major advertiser like Nike and significant money to spend.

Carn asked about Zartico. Stacey said we are working through onboarding/orientation and look forward to using the platform.

Lane asked where are we at on the new staff positions? Schaefer said we would like to have them out and posted by the end of the year.

Lane asked everyone to officially introduce themselves to have on the record.

- Dae Patel Patel's family owns four hotels and a gas station He manages two hotels.
- Warren Sonnen Secretary of the Board. His family owns O'Riley's, Sir Richards, and Mugs and Jugs. He moved here 10 years ago to help manage the family's businesses. He also serves on the board of Foo Foo Festival. He's currently helping with the FRLA rebirth of the Pensacola chapter.

The airport location has been discussed with Matt Coughlin, Airport Director. Schaefer will provide an installation timeline at the December meeting.

Lane adjourned the meeting at 4:45 p.m.

Respectfully Submitted, Lindsey Steck

Renewal Addendum to Letter of Agreement between Arrivalist and Visit Pensacola

This Renewal Addendum ("Addendum") to the Letter of Agreement between Visit Pensacola, ("Destination Marketer") and Arrivalist Co. ("Arrivalist") is made effective as of January 1, 2023 ("Effective Date"). Arrivalist and Destination Marketer may be referred to in this Addendum individually as a "Party" or collectively as "Parties."

WHEREAS, Arrivalist and Destination Marketer are parties to the Letter of Agreement between Arrivalist and Destination Marketer dated September 30, 2019 which governs Arrivalist providing advertisement monitoring and targeting services to Destination Marketer (the "Agreement"), and the Parties wish to amend the Agreement to (i) renew the Term.

NOW, THEREFORE, for good and valuable consideration, the adequacy and receipt of which is hereby acknowledged, and intending to be legally bound hereby, the Parties do hereby agree as follows:

- <u>Definitions</u>. All capitalized terms used but not defined herein shall have the meanings ascribed in the Agreement.
- 2. <u>Term.</u> Section 1 (Term) is deleted in its entirety and replaced with the following:
- 3. Future Data Delivery. The Agreement shall remain in effect as of the Effective Date of this Addendum and continue for one (1) year ("Renewal Term"). At the beginning of the term, [CLIENT] will receive historical data going back to January 1, 2021. Client acknowledges that this historical data is a replacement for any prior historical data and Destination Marketer acknowledges that historical data represents a substantial portion of the work product. During such time the client will receive monthly updates to data in its reporting interface. After the delivery of the historical data, [CLIENT] will receive data updates monthly for the remainder of the term. Following the Renewal Term cited above, the Agreement shall automatically renew for consecutive twelve (12) month periods, unless terminated by either Party by providing written notice of an intent not to renew at least thirty (30) days prior to the end of the then-current term. Any provision of the Agreement, which contemplates performance or observance subsequent to termination or expiration of the Agreement will survive termination or expiration of the Agreement and continue in full force and effect.
- 4. <u>Full Force and Effect</u>. Except as expressly modified by this Addendum, the Agreement remains unmodified and in full force and effect and is hereby ratified, confirmed and continued.
- 5. Execution. This Addendum may be executed in several counterparts all of which when taken together shall constitute a single agreement. The Parties may sign and deliver this Amendment by facsimile transmission and/or Portable Document Format (pdf).

I just picked up tanks for tomorrow's lionfish hunt - we'll be using Hawaiian slings and Zookeepers to spear the invasive species and tuck them away for safekeeping. And if the weather holds (it's in the 50s, a tad brisk!) I'm heading out to the Oriskany, where I'll dive to the fly bridge of the sunken aircraft carrier. They have no predators in the Gulf of Mexico or Caribbean, where they are invasive and their population started exploding in the 1990s, probably after people started dumping them out of their fish tanks. Yesterday I went diving with Brady Hale, founder of Ocean Strike Team, which leads lionfish hunts around Pensacola, Florida. We also ate dinner at Saki Cafe, where chef Wayan Sumadi turned it into edible art.
