Old Business

Approval of Minutes from June 28, 2023; Lane asked for the 1^{st} sentence under Nominating Committee to be removed for lack of context. Deandra Holcomb made a motion to approve the minutes as amended. Warren Sonnen seconded the motion and it passed unanimously.

Warren Sonnen motioned to approve the Minutes from August 2, 2023 Board Meeting. Holcomb seconded the motion, and the motion was approved unanimously.

New Business

Finance Committee Monthly Report

Wandy Samuel went over the Finance Committee monthly report for the board.

July Takeaways: Unified July 2023 MTD shows a net loss of \$7,331.31. This is due to not being able to bill the county for some uncleared checks.

Major Highlights:

- YTD Unified revenue is \$3,751,000 and Unified expense is \$3,198,000 more than this time last year.
- Visit Pensacola has paid \$2,650,000 of the advance, with a remaining balance of \$850,000 to be paid back by the end of the year.
- There are 25 more partners (9 new and 16 retained), as of 7.31.23 than 7.31.22, which resulted in \$19K more from partnership dues. \$350 still unpaid balance.
- Pensacola Sports is current on their submissions.

 ACE has no submission for July. The county had applied \$600K of expenses from FY22 to FY23.

No questions were asked on finances. Holcomb made a motion to approve the Finance Committee monthly report. Sonnen seconded the motion and it passed unanimously.

Pensacola Showcase Agreement Extension

Darien Schaefer referenced the contract with Pensacola Showcase signed in 2020 which was a three-year agreement with two one-year extensions. The Finance Committee recommendation is to extend the contract with Showcase for another year. Schaefer also applauded the work of Pensacola Showcase and recommended the extension.

Rachael Gillette made a motion to approve the 1-year extension of the Pensacola Showcase contract. Holcomb seconded the motion and the motion passed unanimously.

Fiscal Year 2024 Budget Overview

Escambia County Finance Department has established the expected TDT receipts to be \$20 Million. The Unified Budget request, including the UWF Historic Trust would be \$13,225,000.

Unified TDT Budget Request Breakdown

VPI = \$9,594,737	72.55%
ACE = \$1,950,688	14.75%
PS = \$1,454,750	11.00%
Historic Trust = \$224,825	1.70%

The percentages have changed to accommodate the budget increase for Pensacola Sports requesting an additional amount from the budget.

Greg Harris asked for clarification on what Ray Palmer was requesting. Schaefer stated that Palmer had requested additional funds to cover the increased host costs of the SBC and SEC conference sports events as well as staffing and marketing expenses to support these events.

Pensacola Sports and ACE have submitted letters of approval for these percentages and the budget request.

Gillette asked how the expense % by department compares to last year for Visit Pensacola. Schaefer commented that it's similar to last year. Personnel costs were 13.4% last year and this year it's 15% since more staff have been hired to return to pre-covid staffing levels.

The Finance Committee reviewed the proposed FY24 Budget and recommended it be forwarded to the Board of Directors for approval.

Gillette asked about the building and maintenance repair and the difference between this year and next year. This year it was budgeted for \$119K and next year it's \$80K. Schaefer stated the extra dollars this year were for deferred maintenance on the office/visitor center building including painting the building, power washing the roof, cleaning up the landscaping and renovations for two workstations.

Ali Green asked about GL Code: Internet Site Production and why it was budgeted at \$200K more. Nicole Stacey stated that expenses distributed into other GL Codes were moved this year into the same GL Code (Internet Site Production) to better group expenses. Additional work by Crowdriff and Simpleview also increased the amount of this GL code.

Holcomb made a motion to approve the FY2024 Unified Budget as presented. Sonnen seconded the motion and it was approved unanimously.

Nomination Committee

Committee Chair Holcomb stated that there were a lot of great nominees for one open Director position. Gillette is recommended to serve another year as Board Chair, Harris was recommended to serve a full term, and Green recommended to serve out her existing term. Sterling Gilliam is the recommended candidate for the Attraction, Retail, & Events category.

Officer Nominations

Chair – Rachael Gillette Vice-Chair – Warren Sonnen Treasurer – Sid Williams-Heath Secretary – Terry Branch

The other applicants will be encouraged to join committees to stay active in the organization.

Sonnen made a motion to approve the Slate of Candidates and Officer recommendations presented by the Nominating Committee. Holcomb seconded the motion and the motion was approved unanimously.

April-June 2023 Visitor Tracking Presentation/Downs and St. Germain – Erin Dinkel

Erin Dinkel went over the Visitor tracking for April-June 2023. Dinkel emphasized there is a trend across many destinations in Florida for lower occupancy percentages and average daily rates (ADR). Pensacola saw a slight increase in total visitation. The trip planning cycle is 58 days compared to 60 days last year. The typical visitor was 43 years old, made \$86,300 per year and was typically female at 61%. Although there's a caveat there that females tend to be a little bit more likely to take a survey.

Brent Lane asked that in our current climate if they could pinpoint which beach visitors are visiting; Pensacola Beach or Perdido Key. Dinkel said that they could add a follow up question to which beach they visited.

Rachael Gillette asked about the number of people influenced by advertising at 11%. Dinkel stated that they see anywhere from 10 to 18%. 11% of those surveyed were actually influenced, meaning that they've noticed advertising and that specific advertising helped them make the decision. There are a lot of other factors, especially if they were already planning the trip, they wouldn't necessarily be influenced by advertising, especially those loyalists who come here annually. Showcase commented that some people don't know or won't acknowledge that they are influenced by advertising.

Terry Branch asked about the lodging metrics. Dinkel stated occupancy and ADR have been down and something that they have seen across the state as more normalized performance compared to the previous years. Lodging supply has increased in the Pensacola area as well. It's increased over 10%, so that can impact both occupancy and ADR.

Harris asked, from a research standpoint, do you see 2022 and 2021 as anomalies in terms of travel. Dinkel stated that similar to how 2020 was an anomaly (from Covid), the incredibly high level of travel and spending in 2021 into 2022 was predictably unsustainable as the rest of the world opened up.

Marketing Update

Stacey announced that Visit Pensacola has been named, for the sixth year in a row, best website/blog from InWeekly. Visit Pensacola was involved in a successful Urban Adventure Event with America's First Settlement Trail. Schaefer and Shawn Brown have been working closely with A1S Trail and they had a great turn out. Recent press trips included David Perry who is writing a feature for Go Nomad. The TV show, Adventure Cities, has been in town for five days working with staff to film all sorts of adventures. This episode will air on the Discovery Channel in December. We have also been selected for two different visit Florida opportunities. We will be going out to California with the Visit Florida team for a domestic media mission. Lindsey Steck will be going to Canada with Visit Florida for the Discover America media event.

The Visit Pensacola App is Live! The Visit Pensacola Kiosk at the airport is live. Visit Pensacola was recognized by the Florida Public Relations Association with the Award of Distinction and a Judge's Award for the Americas 1st Settlement Trail public relations campaign.

The team is actively collecting content, working with partners, and working with the Perdido Key Chamber to make sure our marketing voice represents Perdido Key and all of Escambia County. We just produced a new restaurant map for Perdido Key. In addition, we are updating content on the website and blogs.

An email was sent to Directors about Visit Pensacola's annual meeting. We are working on a fun video project and we would like all the Board members to be involved.

Melissa Bailey has been doing an incredible job with our Partnerships and has been offering monthly trainings so that partners can come and meet one-on-one on how to log into the portal and to set up their events and to make sure that their listings are correct. She has had 70 attendees over the last seven months.

National Beach Day is August 30th. We're excited to be doing a weeklong campaign sharing all the best ways to Beach in Pensacola. We created a custom candle that will be sent out to media all around the nation, inviting them to beach with us for National Beach Day.

Showcase Update

Pensacola Showcase is fine tuning the FY23 Marketing Plan presented in July. Results from several campaigns were shared including Way to Beach, Fly Markets, Interest Targeting, and DEI. The "Winter Outreach: Early Bird" campaign started August 1 and runs through October 31, 2023. Examples of the Event Cooperative Advertising program created for the Pensacola Beach Songwriters Festival were shared.

Schaefer met with Tammy Thurow, Perdido Key Chamber President, as well as staff and Board Member in Perdido Key. Gillette and Shirley Cronley, TDC Members, were also in attendance. It was a productive meeting that provided an opportunity for communication and education.

Schaefer said he has had 25 meetings with members of the TDC, County Commissioners, Partners, Stakeholders and the Perdido Key Chamber. The focus has been the positive metrics and health of tourism in Escambia County. Schaefer received a letter from the Perdido Key Chamber of Commerce that was written to Commissioner Bergosh asking him to pause his efforts on behalf of the Perdido Key Chamber. There was still a request for funds for the Visitor Center and \$300,000 so they can hold 5-7 events a year.

Schaefer discussed items noted in the letter and said that he will be working on addressing them with the Perdido Key Chamber. We have our Event Grant Program and if that does not meet the needs of the Chamber, then their request for funding their events would be better suited to go through the TDC.

Schaefer said a meeting has been scheduled with the Perdido Key Chamber to discuss how Visit Pensacola markets Escambia County including Pensacola, Pensacola Beach and Perdido Key. Additional meetings are being scheduled to address the Visitor Center and events.

Dae Patel commented that Visit Pensacola needs to communicate often with the board of county commissioners and Perdido Key partners. Schaefer said that he has sent correspondence to Commissioner Bergosh, copying all the Board of County Commissioners and TDC members. Schaefer acknowledges his role regarding the Perdido Key and creating new lines of communication.

Gillette commented on the meeting she attended at the Perdido Key Visitor Center, stating that she doesn't think that we can overcommunicate with the Chamber. Sonnen agreed that we should have a plan for communicating with stakeholders. Tim Carn commented that should be on the CEO to handle and communicate to the BOCC. Schaefer agreed and said that he and Gillette discussed a communication plan and even involving Board Members in future discussions.

Lane suggested that it would be a good idea for Schaefer to be in Perdido Key at least once a month having office hours and being the face of Visit Pensacola out in the Key.

Harris asked how often staff were going out to Perdido Key. Stacey commented that the social team is constantly going out to get content for social media. Melissa Bailey is going out to talk and meet with partners. Kaya Mann has also been going out to the visitor center. Stacey also stated that they are taking press out to Perdido Key.

Lane requested a written communications plan be presented at the next board meeting for review and approval.

Northwest Florida Beaches Tourism Council

Visit Pensacola is a member of the Northwest Florida Beaches Tourism Council representing Escambia County. We are one of eight counties that works together as a region to promote Northwest Florida. The regional message, "Adventure Within Reach," is an adventure-based campaign that all 8 counties can identify with and support.

A Triumph Gulf Coast grant application is in process that would for the first time fund a regional marketing campaign. This proposed \$4.5 million campaign is asking for \$3.5 Million from Triumph each year for the next three years. Visit Florida is contributing \$500,000 and the NWFL Beaches Tourism Council is contributing \$500,000 a year. \$2 Million will be dedicated to an overall regional message, and \$2 Million will be divided amongst the 8 counties to drive the regional message at the county level that ties into specific county goals. Our contribution is \$86,250, but we will receive \$232,000 back to market Escambia County.

THE WAY TO BEACH
THE WAY TO BEACH

Canadian winters shouldn't be something you have to bear. Escape your frigid winter and head south to a wonderland of warm, sunny days, sugar-white sands, and emerald-green waters.

Make this the winter you redefine "winter chill" with a warm dose of Pensacola sunshine. Get into those off-the-beaten-path adventures you crave, stretch your winter legs downtown, or roam pre-Civil War forts. Make plans now to skip the single-digit and below-zero temps at home in Canada for miles of get-away-fromt-fall white-sand beaches...that's The Way to Beach.

The Pensacola Bay Area provides the perfect sanctuary for Canadian snowbirds, with gorgeous scenery. Southern hospitality, and seemingly endless ways to get your groove on.

Nestled in the northwest corner of Florida, Pensacola is unique among beach destinations because it is a city with an old soul. The city's colorful, multicultural past dates back to 1559. Influences from Britain, France and Spain are reflected in the city's architecture, local cuisine and festivals. In Downtown Pensacola, every step you take is a walk through history. It's a vibrant and progressive destination with trendy shopping, dining and nightling.

But you haven't truly experienced Pensacola until you dig your toes into the sugar-white sand and pristine waters of the world-famous beaches of Pensacola and Perdido Key. Come as you are and hang out with the locals at beach bars and restaurants and be sure to try Pensacola's signature drink, the Bushwacker, a delicious chocolatey frozen cocktail.

Local Snowbird Community

Gather with fellow Snowbirds at annual events across the Pensacola area

join in the fun on the Florida-Alabama state line for a series of Snowbird Hootenannies to be held at the world-famous Flora-Bama Lounge. Each event includes a delicious lunch, door prizes, sames and streat music. Admission for each event is \$10 per person.

The first Hootenanny this year is on January 12, 2023, and is themed "New Year, New Boots". Guests are encouraged to dress up in their favorite western wear to enjoy some like pickin-andgrinnin' music. The second Hootenanny of the year is the "Sweetheast Salom" on February 2,

- b. to notify the Consultancy promptly if the Client considers that any statement made in any document submitted by the Consultancy to the Client for approval is incorrect or misleading in any way, or may give rise to any claim or action for defamation or otherwise against the Consultancy.

2. Consultancy Status

The consultancy acts in all contracts as a principal at law.

3. Payment of Expenses

Two fundamental principles on which the Consultancy/Client financial relationship is based are:

i. The Consultancy shall finance its own operations, but not costs incurred on behalf of its clients. ii. As principal at law, the Consultancy is held by suppliers as solely liable for payment.

4. Disbursements and Expenses

The Consultancy fee shall be exclusive of the following disbursements and expense items relating to the agreed programme incurred reasonably and with advanced consent of the client:

- a. Accommodation, travel and subsistence
- b. Advertising and marketing artwork and mechanical items

- b. Email
- c. Media research
- d. Newspapers and magazine subscription
- e. Mobile telecommunications
- f. International telephone calls to the client

5. Approvals and Authority

- The expression 'Written Approval' in this Agreement including the Standard Terms of Business shall mean Written Approval by directors or employees of the Client authorised to approve the Consultancy's work and/or expenditure and whose names are set out in Schedule 2. The Client shall notify the Consultancy in writing of any change to the authorised persons during the term of the Agreement. The Consultancy shall not be responsible for any delay in the performance of the Services resulting from the unavailability of an authorised person to provide Written Approval.
- 2 Written Approval shall mean approval signified by:
 - a. a letter, fax, email or purchase order from the Client bearing the signature of an authorised person
 - b. oral approval by an authorised person, provided such oral approval is confirmed in writing within two working days by way of a written report from the Consultancy to the Client; or
 - c. the signature of an authorised person on the Consultancy's documentation.
- Written Approval of drafts or proofs shall be taken by the Consultancy as authorisation to proceed to publication or in person, digital or social activity going live. Written Approval of estimates submitted shall be taken as authorisation to enter into contracts with suppliers on the basis of such estimates.

6. Copyright

The copyright in all artwork, copy and other work produced by or assigned to the Consultancy rest with the Consultancy, unless duly assigned under the Copyright Design and Patents Act 1998.

On payment by the Client of the relevant Consultancy fees and charges in full, any copyright lawfully assigned by subcontractors and their agents to the Consultancy and the Consultancy's own copyright will be assigned to the Client, unless other arrangements are made.

In the event that any created work includes material the rights in which are owned by a third party, the Consultancy shall grant to the Client (at the Client's expense) only such rights as the third party permits the Consultancy to grant to the Client.

Notwithstanding any assignment of rights, the Consultancy may use any of the created work for the purposes of internal training or, with the Client's prior consent, in the promotion of the Consultancy.

The provisions of this clause shall survive the expiry or termination of the Agreement.

7. Confidential Information

The parties agree to treat as secret and confidential and not at any time for any reason during or after the termination of the Agreement to disclose or permit to be disclosed or made use of any confidential information concerning the other's business customers, suppliers or associated companies which they may acquire in the course of the Agreement.

The Consultancy shall where so requested by the Client impose equivalent obligations of confidentiality on its own personnel and obtain written assurances from any third parties to whom information has to be disclosed in order to enable the Consultancy to carry out its obligations under the Agreement.

For the avoidance of doubt, the restrictions in this Clause shall not prevent:

- a. the disclosure or use of information in the proper performance of the Consultancy's duties;
- b. the disclosure of information if required by law; or
- c. the disclosure of information which is already in the public domain otherwise than through unauthorised disclosure by the Consultancy.

Nothing in the Agreement shall prevent the Consultancy from using the name of the Client in any list of clients used by the Consultancy for its own promotional purposes unless the Client has notified the Consultancy in writing that it is unwilling for its name to be so used.

The provisions of this clause shall survive the expiry or termination of the Agreement.

8. Insurance

a. The Consultancy's Warranty and Indemnity

The Consultancy warrants that to the best of its knowledge and belief the created work shall not infringe any third-party rights or be in any way contrary to English law, subject to any legal or other advice provided to the Consultancy and communicated to the Client.

Subject to the provisions of this clause, the Consultancy shall indemnify and keep indemnified the Client from and against any and all damage, loss, costs, expenses (including legal costs and expenses) and liability whether civil or criminal which the Client may incur or suffer resulting from any breach of this Agreement by the Consultancy, including any act, neglect or default of the Consultancy's agents, representatives or employees and including breaches resulting in any successful claim by any third party alleging defamation, provided that:

- i. The parties agree that damages might not be a sufficient remedy to any breach of the terms of this agreement and that as a result injunctive or other equitable relief may be obtained in respect to any breach and that Magic Torch PR LTD is indemnified up to 1 million GBP and cannot exceed this on any single or collective issue
- ii. the Consultancy shall not be liable for: (i) any loss or damage suffered by the Client arising out of any act, omission, misrepresentation or error made by or on behalf of the Client or arising from any cause beyond the Consultancy's reasonable control; or
- iii. (ii) any delay in or omission of publication or transmission or any error in any press or other publication unless such delay, omission or error is due to its own default or neglect; or (iii) any consequential loss or damage of

any kind whether caused by tort (including negligence), breach of contract or otherwise, and whether or not such loss or damage was foreseeable.

b. The Client's Warranty and Indemnity

The Client warrants that to the best of its knowledge, information and belief all information supplied to the Consultancy before, during and after the Agreement shall be accurate and not in any way contrary to English law and that it is entitled to provide such information to the Consultancy for its use without recourse to any third party.

The Client shall indemnify and keep indemnified the Consultancy from and against any and all damage, loss, costs, expenses (including legal costs and expenses) and liability whether civil or criminal which the Consultancy may incur or suffer resulting from any act, neglect or default of the client or its agents, employees or licensees, or the infringement of the intellectual property rights of any third party or any successful claim for defamation, provided that such liability was not incurred by the Consultancy through any default in performing its obligations under the Agreement.

The provisions of this clause shall survive the expiry or termination of the Agreement.

c. Client's Property

The Consultancy shall take reasonable care of any property belonging to the Client and made available to the Consultancy for the purpose of this Agreement. Such property shall be at all times at the sole and entire risk of the Client, and the Consultancy shall not be subject to any other liability for it.

d. Insurance of Created Work

Created work retained by the Consultancy shall at all times, while in the Consultancy's possession, be insured by the Consultancy against loss or damage.

The Client shall insure created work against loss or damage when in transit between the Consultancy and the Client or any third parties for the purposes of production or publication and when in the possession of those third parties.

9. Gross misconduct

Consultancy or Client misconduct will result in the immediate termination of this contract by the affected party.

Without notice but payment for all work carried out in the case of Misconduct is deemed to be any of the following:

- a. The divulgence to outside parties of confidential information regarding the affairs of the Client or Consultancy which would be damaging to its business
- b. Deliberate falsification of accounts, expenses or other information of a financial nature
- c. Grossly insulting or discourteous behaviour towards the Client or Consultancy or either's customers

10. Assignment

The Client may not assign, sub-license or sub-contract the Agreement or any of its rights or obligations hereunder without the prior written consent of the Consultancy (not to be unreasonably withheld or delayed). The Consultancy acknowledges that such assignment shall not affect the liability of the Consultancy to fulfill its obligations under the Agreement.

12. Credit Risk Insurance

a. Consultancies who are insured against credit risks will require all clients to be acceptable to the insurers in respect of the sums involved. If the insurers revise or withdraw cover from a client, terms of payment may be revised and notified to the client.

b. Invoices duly rendered and unpaid after three months will give the Consultancy the right to cancel the contract forthwith without prejudice to outstanding liabilities.

13. English Law

All contracts between the Client and Consultancy will be governed by and construed in accordance with English Law.

14. Waiver

The failure by either the Client or Consultancy to enforce at any time or for any period any one or more of the terms or conditions of any contract between them shall not be a waiver of them or the right at any time thereafter to enforce all terms and conditions of that contract.

15. Force Majeure

Both the Client and Consultancy will be released from their respective obligations in the event of national emergency, epidemic or pandemic, war, prohibitive governmental regulations or if any other cause beyond the reasonable control of the parties renders performance of any contract between them impossible, and whereupon all money due to either of the parties shall be paid immediately.

♥ Early Bird Campaign Begins

Goal: Increase visitation and stay-length from November through February by inspiring potential travelers as they plan winter travel.

Tactics: Digital display, Native, Online video, Print, and Broadcast/Cable*

Markets: Chicago* (running on largest PBS market in the US), Grand Rapids* Indianapolis* Milwaukee* Minneapolis* St. Louis* plus Detroit, Indiana, Michigan, and Wisconsin

Early Bird Gets the Warm Make this winter warm and easy. Redefine "w chill" on relaxing white-sand beaches.

A love of college football and beach getaways come together through televsion placements on the SEC and ACC networks. This direct buy reaches 121 million households during afternoon and prime-time football and eliminates specific cable market boundaries.

An Alabama sponsorship strengthens this effort with stadium, radio, print, and digital exposure.

Television buys in Atlanta, Dallas, and Houston build on this Southeastern exposure.

In FY22, television had the highest ad recall at 30%.

8/16/2023	1	"The precision was exact to the point of a nerving. For those of you who don't know, the Blue Angels are a flight demonstration squadron of the United States Navy, based at the Naval Air Station Pensacola in Florida. They aren't daredevils per se, although certainly the things they do were pretty daring. Rather, the people at the controls are the best in their field, and the shows are to demonstrate the maneuverability of the planes and the mastery of the aviators. Taking in the Blue Angels is a must in Pensacola. In fact, you really haven't been to this town unless you've taken in a show. And to see these planes, each of which way several times, just slipped through the air with barely a waver or bobble is astonishing. Apparently it is easier to fly in tight formation then it is far apart, and when I say tight formation, I mean to within 18 inches of each other. It really is the perfect marriage of skill and technology. @visitpensacola #VisitPensacola, #TheWayToBeach #Experiencepcola #BlueAngels #BlueAngelsAirshow #Travel #Gaytravel	Blue Angels	Visit Pensacola / Giant Noise	David Perry	12,700	\$446.42
